1. PERMISSION

I hereby give permission for my child to participate in competitive athletics and other school activities.

2. PHYSICAL EXAMINATION:

Proof of a physical exam is required every two years starting in the 7th grade to be eligible to participate in athletics. All participants must have a physical on file with the school PRIOR to participation. **It is mandatory that the physical is on the current OSAA physical form.** You can pick one up from the Athletics Office or go online at <https://www.osaa.org> under Quick Links click on forms and then physical examination and print one off.

3. INSURANCE:

I understand that the school **DOES NOT** provide any medical insurance coverage.

4. ATHLETIC FEE:

Each student will pay a participation fee of \$100.00 per sport. The fee is half price for students on the free lunch program and full price for students on the reduced lunch program. Full payment is required within the first two weeks of practice. If you are unable to pay at that time a payment plan must be set up with the athletic secretary. **All fees and fines must be paid by the first contest.** Violation of the payment plan will result in suspension or disqualification.

- ☞ If a student is cut from a team, the participation fee *will* be refunded
- ☞ If a student quits a team for any reason, other than medical or moving, after his/her first week of practice, the participation fee *may not* be refunded OR transferable to another sport.
- ☞ If the student presents the athletic director with a medical reason signed by a physician, the fee *will* be refunded. All medical or moving fees will be prorated.

I am aware playing or practicing to play/participate in any sport can be a dangerous activity involving **MANY RISKS OF INJURY**. I understand that the dangers and risks of playing or practice include, but are not limited to: death, serious injury to virtually all internal organs, serious injury or impairment of other aspects of my body, general health and well-being. I understand that the dangers and risks of playing or practicing may result not only in serious impairment of my future abilities to activities, and generally to enjoy life. Because of the dangers of participating in sports, I recognize the importance of following the coaches' instructions regarding playing techniques, training, and other team rules, etc., and to agree to obey such instructions.

I give my son/daughter permission to participate in competitive programs, which are approved by the board of education, and to go with the coach or other adult supervisor on regularly scheduled trips. While I expect school authorities to exercise reasonable precautions to avoid injuries, I understand that they assume no financial obligation for any injury that might occur to my son/daughter. I am advised that students are held responsible for all equipment owned and issued by the school.

BY SIGNING BELOW I AGREE THAT I HAVE READ AND UNDERSTAND ALL INFORMATION ON THIS FORM. BY SIGNING THIS FORM, YOU ARE AGREEING TO ABIDE BY ALL POLICIES AND RULES OUTLINED IN THE LHS ATHLETIC/ACTIVITY HANDBOOK.

Eligibility: We will adhere to OSAA guidelines towards eligibility requirements. Students must have passed 2.5 credits the previous semester and be currently enrolled in 2.5 credits during the sport season. Any student athlete who has a 2.0 grade point average or below will be required to complete a weekly grade report to remain eligible. Every athletic team and team member will be required to participate in weekly team study sessions regardless of GPA. The coaches as well as the athletic director will administer these. Online classes may jeopardize athlete’s eligibility due to grading periods being different between the college and the high school. Any behavior referral, unexcused absence, or action that causes our athletic programs embarrassment will affect student eligibility. We will not tolerate any action that negatively impacts our school, community, as well as teammates.

Ejections: If a student athlete is ejected from a competition/game, the student (family) is responsible for the fine. The first fine for a specific sport is \$50. The second ejection in the same sport is a \$100 fine. Each ejection thereafter in that specific sport is increased by \$50 increments. (1st - \$50, 2nd - \$100, 3rd - \$150, 4th - \$200.....without limitation) A fine for an ejection in the last contest of the season shall be increased by \$100 over the standard fine. OSAA policy charges each school/sport these fines, please see www.osaa.org Handbook/Ejection Policies
