

2019 Warrior Yearbook (Vol. 87)

Pre-Orders, Senior Quotes, Senior Photos and Senior Advertisements

How do I pre-order a yearbook? Most students pre-order a yearbook during registration. Lisa Miller (Finance Office) handles all sales during the year. Please address checks to “Lebanon High School” (write “Yearbook” on memo line). Yearbooks arrive at the end of May, and they usually sell out, so we recommend pre-ordering a book during first semester.

How much does the yearbook cost? Yearbooks ordered during first semester cost \$55. Yearbooks ordered during second semester cost \$60. You may also make a payment in several monthly installments. Ordering during first semester helps us estimate how many books to print. We have to decide on our exact order quantity by the end of January.

Submit a Senior Quote — Seniors are encouraged to submit a short quotation* to be published alongside their photo in the yearbook. **Quotes are due by Wednesday, October 31.**

To submit a quote, sign-in with a Google Account and submit the Google Form at:
tinyurl.com/warrior19yb

In general, your quote should be short, classy, and easy to understand. Quotes should be appropriate for all audiences and must be approved by yearbook editors and LHS administrators.

* THE FINE PRINT — PUBLICATION STANDARDS FOR ACCEPTING SENIOR QUOTES

Please limit your quote to 140 characters with spaces. Quotes will not be accepted if they have a suggestive double meaning, use disrespectful language, make references that are inappropriate for school, or are negative in tone (toward anyone or anything). Please give credit to the source of your quote. If you are submitting a personal quote, you may list “personal” as the source. Your quote may not be accepted if it is from a source that contains inappropriate content (e.g. lyrics from a song with explicit content). A senior quote may not be accepted if the yearbook editors do not understand what it means. You may submit a short explanation of your quote if needed, but a quote should be easy for everyone to understand (not an inside joke).

Submit a Senior Photo — Seniors are encouraged to submit a portrait photo for publication in the yearbook. Photos must meet the requirements below. **Photos are due by Wednesday, November 14.**
