### **Upcoming Band Events**

This Saturday is the Veterans Day Parade in Albany. I will need a small team of parents to help facilitate uniform checking. Students are required to show at 0800 hrs. The Bus Departs at 9. Chaperones may ride the bus if they would like.

Chaperones will help keep watch of the kids, help them if a problem arises, deliver water if they need. We are competing this year. However, due to students having to be back for the WVCB performance that night we will not stay for the award ceremony.
