All students participating in sports are required by State Law and the OSAA to obtain a physical every two years - filled out on the OSAA Physical Form. The OSAA physical form is available on the Lebanon High School website, under Athletics or at the Athletics Office at LHS or at the OSAA website www.osaa.org (scroll to bottom under handbook/forms). Pop Warner Physicals can NOT be accepted. **Students and parents need to go online registration at www.LebanonWarriorAthletics.com and in the upper right hand corner click on “Register My Athlete”.** Instructions to help guide you through this are on the back of this sheet.

There is a \$100 participation fee per sport per athlete. If a student qualifies for FREE lunch (not reduced), the fee is reduced to \$50. **Your free lunch letter needs to be shown at time of payment.** A copy of this letter can be obtained through the Nutrition Services Office. **The participation fee is due at the time of sign-ups.**

Our new athletic registration allows parents to register their student-athletes for sports online. Here are some basic steps to follow when registering your athlete for the first time:

1. **Create an Account/Log In:** Go to www.LebanonWarriorAthletics.com. In the upper right-hand corner click "Register My Athlete". If you already have an account, just log in with your email/username and password. Now that you are logged in, click on the Parent access portal. **Don't forget to write down your Log In info, you are the only one that has access to it.**
2. **Start a Registration:** To start a registration, click on Start/Complete Registrations on the left hand side, then select Click Here to Start New Registration. The first step will be to select your school and athlete. If this is your first registration, you will need to add a new athlete. If you have already added the athlete, you will have the option to select a previously added athlete.
3. **Select Year, Sport, and Athlete:** The next step prompts you to select the year and sport. Once this section has been submitted, any information up to this point will not be able to be changed. Please review information carefully before submitting.
4. **Your Registration Checklist:** This page shows the status of your athlete's registration. You will be asked to complete several steps to register. These include updating information such as medical, insurance and guardian info to determine eligibility.
5. **School Requirements:** This section is where documents will be read and agreed to, legally binding E-Signatures will be completed and physicals will be uploaded. Once this section is complete, the registration is complete. Any requirements that require the parent to upload a document will also require that the school's athletic administration approve the document, so please do not be alarmed if the status is Pending School Approval.
6. **Complete Registration:** Your registration is complete once all items on the checklist have been completed.

Additional Athletes: If you have additional student-athletes to register, you can start a new registration and add them as an athlete. Once you add them, they will be available to select next time.

Future Seasons & Years: For future years, once your athlete has been added to your account you only need to start a new registration and select them as the athlete. This should speed up the process.
