1. Complete the online re-enrollment process at home. See enclosed flyer with your login info. If you don't complete it before coming to registration you can complete it in our computer lab. **Parents or guardians must digitally sign the form, not students.**
2. Student pictures will be taken for student body cards and the yearbook. Order school pictures (optional). Picture packets available at registration or you can pay online at [lifetouch.com](http://lifetouch.com). If students miss registration, there will be a make-up picture day in September.
3. Fill out the free/reduced lunch application form available at registration. (optional)
4. Pay school fees; either in person, at registration, or online at <https://intouch.lblesd.k12.or.us/lebanon/>
5. Pick up your class schedule which includes locker number and combination.
6. Freshmen Orientation and Bell Schedule information available at registration.
