Dear Class of 2023,

Welcome to LHS! We are excited to have you join us!

Your first day of school will be Tuesday, Sept. 3rd, Freshman Orientation Day. We have some fun things planned for you, and we hope the day will be informative, exciting, and get you off on a positive start to high school.

Here are some details you should know.

- START:** We will start the day at 7:40, meeting in the foyer outside the main gym. We will begin with an assembly.
- GROUPS:** Everyone will have a group, complete with a Link Crew FOP Leader. (FOP stands for Freshman Orientation Person. These are LHS students who have volunteered to help you have a successful start to high school.) After the assembly, we will have group time activities - including school tours! After group activities, we will return to assembly format for a few minutes, and then . . .
- LUNCH:** You can bring your own lunch, or eat in the cafeteria. There are lots of great menu items available, so take a look!
- CLASSES:** After lunch, we will go through a complete set of classes - as you will on Wednesday – just shorter. You will meet your teachers and figure out where to go. Don't worry about getting lost, because Link Crew FOP Leaders will be all over the place to help you.
- END:** Your 7th period teacher will escort you to our closing assembly, to be led by our ASB Spirit Coordinator, Chloe Grimes. Get ready for some serious fun to end the day!
- WHAT TO BRING:** The most important thing is simply to be there. Otherwise, bring your lunch or lunch funds. It is fine to bring your backpack or book bag, and if you arrive before 7:40 you can deposit your things in your locker. Otherwise, you can keep your bag with you until lunch, when you can take some time at your locker.
- WHAT TO WEAR:** Please wear comfortable clothing. We will be moving around a lot and **sitting on the floor**. Link Crew FOP will be wearing jeans and t-shirts, and so can you!

Your years at LHS will fly by, and we hope you make the most of them by getting involved and having fun. Freshman Orientation is just the start.

Welcome, Warriors! We can't wait until Sept. 3rd!
