## **Diploma Requirements - EPP/ Essential Skills / CRLS**

The State of Oregon and Lebanon Community School District Policy IKF require the following for all students graduating in the class of 2010 and beyond:

- Develop an education plan and build an education profile
- Demonstrate and develop the required Career Related Learning Standards: personal management, teamwork, communication, problem-solving, employment foundations, and career development.
- Demonstrate extended application through a collection of evidence.

## **Education Plan and Profile (EPP)**

Students will develop an education plan and build an education profile based on the following:

- Describe personal, academic and career interests.
- Describe personal, education, and career goals (short-term and long-term).
- Identify “next steps”: (2 year or 4 year college, university, career school, apprenticeship, workforce, military or other) following high school completion and actions for successful transitions.
- Identify a course of study to meet credit requirements and plan learning experiences related to interests and goals.
- Identify opportunities for meeting standards – academic, career-related learning and extended application – and participation in career-related learning experiences.
- Document progress and achievement toward: academic, career-related learning and extended application standards; other graduation requirements and college entrance requirements.
- Record personal awards, accomplishments, experiences, skills, certifications, etc.
- Periodically reflect on progress toward meeting goals, standards, and preparation for next steps.

## ACTIVITIES / ATHLETICS

Lebanon Community School District believes that a dynamic program of student activities is vital to the educational development of the student.

There are a variety of athletic opportunities and club organizations for students to participate in. Getting involved in school activities beyond the classroom makes your high school experience more fulfilling and enjoyable. You may meet people with similar interests and learn valuable lessons that you'll carry with you for the rest of your life.

There are both OSAA regulations and school rules regarding eligibility for athletics and activities at LHS. Please refer below and/or to the athletic and activity handbook available at the main office for these requirements.

### **OSAA Requirement:**

A. Take and pass 2.5 credits the previous semester. The student must also be enrolled in 2.5 credits during the present semester.

### **Additional Lebanon High School Rules:**

A. Students must meet the required standards of passing all classes with a "C" or better. If requirements are not met the student will be put on Academic Probation Level 1 or 2.

### **Probation Level 1 'Eligible Probation'**

A. If the student is failing 1 class or has a "D" in any class, he/she will be required to turn in a weekly grade check to their coach. They also will need to attend supervised study sessions set up by the coach or Athletic Director. These students can practice and participate as long as they attend study table and hand in their weekly grade check. Once they raise a failing grade or their "D" grade, the study table is optional but they must continue the weekly grade check.

### **Probation Level 2 'Ineligible Probation'**

A. Students failing 2 or more classes are ineligible from competition until they reach the Probationary Level 1 requirement. These students must bring weekly grade checks to the coach and attend supervised study sessions until earning Probationary Level 1 status.

This policy is intended to give our student-athletes an opportunity to be successful in the classroom prior to being determined ineligible. A key to this success will be the coaches and advisors' support and supervised study sessions.

If a student is suspended out of school, they will not be allowed to practice or participate in school-sponsored activities (either home or away) during that period of time.

## CODE OF CONDUCT

### ATTENDANCE

To excuse an absence the parent/guardian may call the attendance secretary at the number listed below, or parent/guardians may send a note with their student to be delivered directly to the Attendance Office. All excuses must be submitted within 24 hrs from the day of the absence.

**Attendance Secretary**  
**Phone (541) 451-8549**

### ABSENCES

Lebanon High School recognizes the following **as acceptable reasons for excused absences:**

- ❖ Illness, medical or dental appointments
- ❖ Serious illness or death in the immediate family
- ❖ Religious observances
- ❖ Absences approved in advance by the school administration

Lebanon High School **will not recognize** the following as acceptable reasons for excused absences:

- ❖ Truancy
- ❖ Oversleeping
- ❖ Missing the bus or car malfunction
- ❖ Shopping/haircut appointments
- ❖ Family vacations, hunting or fishing excursions not approved in advance
- ❖ Birthdays, family visiting, or other celebrations

#### **Oregon Law requires regular attendance ORS 339.010:**

Doctors notes will be required for absences due to illness when:

- Extending beyond 3 consecutive school days
- Totalling 10 days in a school year

When a student is absent, parents and guardians may desire their student's absence from school be excused. Those desiring an absence to be excused must call the attendance office or complete a written note requesting for the absence to be excused. Adult students must also file a written note requesting for their absences to be excused. To be considered for an excused absence, the request must include: 1) the date of the request, 2) the date of the absence(s) for which an excuse is requested, 3) the reason the excuse is requested, and 4) the signature of the parent/guardian, or adult student requesting the excused absence.

The request for an excused absence must be filed within **24 hours** (one school day) after the time the student returns to school. Exception to the 24-hour time limit may be granted by the appropriate administrator for special circumstances. The appropriate administrator will grant or deny the request and give timely notice to the parent, guardian or adult student if the request is denied. Excessive use of written requests by adult students is contrary to the educational goals of Lebanon High School and will result in loss of privilege.

If the parent, guardian or adult student disagrees with the discretionary determination of the administrator, they have five (5) days from the notice of the decision to file a complaint under the procedures of the School District.

Absences for field trips, sports, or school approved activities are excused and do not require a parent note. If the absence is excused, students are allowed the same number of days plus one, as they were absent from each class to make up any work missed. It is the student's responsibility to make all arrangements for makeup work.

Students with unexcused absences may be denied the opportunity to receive credit for make-up work. Unexcused absences are those absences, which are not excusable as outlined in the Lebanon Community School District Parent/Student Handbook and any absence, which has gone unexcused beyond the 24-hour limit.

Students missing class because of in-school or out-of-school suspensions will be allowed to earn up to full credit or points for completed work missed. If the work reflects learning that extends beyond the length of the suspension, teachers will permit credit for work (unit exams, large projects, etc).

The Lebanon Community School District Board, Superintendent, and Lebanon High School Administration do not approve "Senior Skip Days." Any students participating in such activities will be subject to consequences as outlined in the discipline policy.

In accordance with Lebanon Community School District Board Policy and ORS 339.254, a notice for recommendation of suspension of driving privileges or the right to apply for driving privileges and a DMV notice form may be sent to the Superintendent for any student who has missed ten (10) consecutive school days of unexcused absences, has fifteen (15) days total unexcused absences, or has sixty (60) single period absences during a single semester.

The consequence for unexcused absences could result in detentions for minor (initial) offenses to the establishing of an attendance plan with parental involvement. For not

following through on attendance plan, consequences could range from In-School and Out-of-School suspension to expulsion as cited in Student Board Policy.

If the student continues to accumulate unexcused absences, a citation conference with the student and their parents will be scheduled by the Truancy Officer. The full range of consequences as cited in Student, Board Policy and Oregon Law will be considered, including a citation to Linn County Truancy Court, and potential fines.

**Prearranged absence forms are available from the school attendance secretary. They must be filled out by the student, signed by each teacher, and returned to the attendance secretary 5 days before the absence.**

## **TARDINESS**

Students are expected to report to school and to each class on time, prepared with the necessary materials. Students who arrive late to school must check in room 300 and receive an admittance slip before going to class.

**4<sup>th</sup> tardy:** In-school suspension (ISS) for the period when the 4<sup>th</sup> tardy occurs.

**8<sup>th</sup> tardy:** Phone call home.

**12<sup>th</sup> tardy:** Wednesday School, implementation of RTI intervention, and a phone call home.

## **RELEASE OF STUDENTS FROM SCHOOL**

A student shall not be released from school at times other than regular dismissal hours except with administrative permission or according to school sign-out procedures. The school office personnel will determine that permission has been granted before allowing the student to leave. A student will not be released to any person without the approval of his/her parent/legal guardian or as otherwise provided by law. **Students must sign out of school at the Attendance Office. Failure to do so may result in an unexcused absence.**

## **WITHDRAWAL PROCEDURES**

Students who withdraw from school must provide a parent/guardian authorization to Lebanon High School Registrar’s Office and follow the school's withdrawal procedure. After all fines, fees, and charges have been paid and textbooks returned, the student's balance, if any, will be sent to the parent or legal guardian.

## **ACADEMIC CHEATING**

Students will not submit for academic credit any work that is not of their own creation and/or gained from another individual; unless the work is designed as a "group" assignment. Students caught cheating will receive an "F" for the assignment and/or discipline consequences.

## **ASSEMBLIES**

All students scheduled into classes on campus during the time of an assembly are expected to attend the assembly or a designated study room. A student's conduct in assemblies and study room must meet the same standard as in the classroom. A student who does not abide by the District's Student Code of Conduct during an assembly shall be subject to disciplinary action.

## **BEFORE AND AFTER SCHOOL SUPERVISION**

The school provides no direct student supervision before 7:15 a.m. or after 3:45 p.m. The exception to this would be for students enrolled in "0" period classes and any scheduled after school activity.

## **BICYCLES/SKATEBOARDS/ROLLERBLADES/SCOOTERS**

All bicycles are to be parked in a bicycle stand and secured properly. Students park bicycles at their own risk. District Policy states the use of skateboards/rollerblades /scooters or similar devices on district grounds are not allowed. Skateboards/rollerblades/scooters must be stored in designated areas on school grounds and should be locked. The district assumes no responsibility or liability for loss or damage to skateboards/rollerblades/scooters. Students who ride their skateboards/rollerblades/scooters on campus in violation of this policy will have them confiscated for parents to retrieve. Students will be informed they are not allowed to bring their skateboards/rollerblades/scooters to school.

## **BUS CONDUCT**

Students who ride buses to and from school or school-sponsored activities will be notified of the rules and regulations governing their conduct on buses. Violation of bus rules that jeopardize the health/safety of self and/or others may result in the loss of district-approved transportation services. Students found to be in violation of this policy may face disciplinary action up to and including suspension and expulsion. Law enforcement officials may be contacted.

## **CAFETERIA/STUDENT COMMONS**

Students using these areas during lunch and/or before or after school must assume the responsibility for keeping the areas clean. This includes returning trays, cleaning tables, picking up trash on the floor, etc. Failure to do this may result in loss of use and/or disciplinary action.

## **CHANGES OF ADDRESS**

For safety concerns, change of address, telephone number and/or contact information must be reported to the Registrar's Office. This information will be recorded on the student information card.

## **CLOSED CAMPUS**

The Lebanon High School Campus is **closed for all freshmen**. Freshmen will have a separate lunchtime from the rest of the school. Once school has started the gate behind the school will be closed and students will need to enter and exit from the front of the school (5th street). We are locking the gate at the NW corner of the school in order to discourage students from leaving campus. If you leave campus for any reason other than lunch, you need to check out through the attendance office.

Per school policy, freshman have closed campus during lunch and are not permitted to leave. Students who choose to leave are subject to disciplinary action. Consequences for initial offenses may include lunch detention/in-school suspension. If behavior is chronic it will be viewed as defiance and handled accordingly.

Further understand that any violation of the regulations in this policy is unethical and may constitute a criminal offense. Understand that if a student commits any violation, access privileges may be revoked and appropriate school discipline or legal action may be taken.

## **COUNSELING**

Counseling services are available to every student. To see a counselor, sign up with your counselor before school, during lunch, or at breaks. Students will **not** be released to see their counselor during class time **without a pass** from the counselor.

## **CREDIT DENIAL/GRADE REDUCTION**

Punctual and regular attendance is essential to the academic success of students. **Teachers may consider a student’s attendance in determining a grade reduction or credit denial,** although attendance will not be the sole criterion used. Such decisions will not be based on non-attendance due to religious reasons, a student’s disability or an excused absence as determined by district policy.

At the beginning of each school year or course, teachers will inform students and parents how attendance and class participation are related to the instructional goals of the subject or course. An appeal process will be provided to any student whose grade is reduced or credit denied for attendance rather than for academic reasons. Teachers may award partial credit for student learning.

## **DANCES/SOCIAL EVENTS**

All dances, including Homecoming, Winter Formal, and Prom, are for high school students only. **All guests must be under 21 and/or 14 years old or older and have prior administrative approval.** A guest form must be filled out and turned in to the office one week prior to the event. A background check will be conducted by the school resource officer and/or school administration on each requested guest. The ID’s of guests and students will be checked at the door. The rules of good conduct and grooming shall be observed for social events and school dances. Guests will be expected to observe the same rules as students attending the events. The person inviting the guest will share responsibility for the conduct of the guest. A student attending a social event or dance may be asked to sign out when leaving before the end of the activity. Anyone leaving before the official end of the activity will not be readmitted. Students with outstanding behavioral consequences may be prohibited from attending dances or other

activities. **Students who have compiled 5 or more behavioral referrals within the year will not be allowed to participate in elective activities.** Students may petition the Dean of Students and/or the Principal for the right to participate.

## **DISCRIMINATION/COMPLAINTS**

Lebanon High School is committed to ensuring that every student of the district is given equal educational opportunities regardless of age, race, religion, color, national origin, disability, marital status, linguistic background, culture, capability or geographic location. If you feel that you have been discriminated against, there are specific actions you must take. These actions are listed in the LCSD School Board Policy document AC-AR. A copy of this policy and the complaint form can be obtained from the office or online at the district website shown below.

## **DRESS AND GROOMING**

The Lebanon High School dress code is established to promote appropriate grooming and hygiene, prevent disruption and avoid safety hazards. **Any** staff member has the authority to determine if clothing is disruptive or unsafe. Students who represent the school in a voluntary activity may be required to meet additional dress and grooming standards approved by the principal and may be denied the opportunity to participate if those standards are not met.

The following are guidelines on clothing that is prohibited on campus:

- Obscene, disrespectful, lewd and/or suggestive statements or pictures on clothing or jewelry are considered disruptive. Wording on clothing with inappropriate double meanings is considered disruptive.
- Clothing that advertises or gives reference to alcohol, drugs, tobacco, violence or anarchy is prohibited.
- Trench coats are not an acceptable form of outerwear and are prohibited.
- Clothing with insufficient covering deemed inappropriate, disruptive, or unsafe.
- Pants are to be worn above the hips and are not allowed to sag.
- Shoes or sandals must be worn at school and school activities at all time.
- Examples of inappropriate clothing would be: hoods on head, pajamas, tank tops, any attire that allows undergarments to show. This list is just an example and other items of clothing may be deemed inappropriate when necessary.

Dress and grooming standards may be upgraded to meet safety, program, transition or workplace expectations when approved by the principal. Students observed wearing inappropriate items will be asked to change or modify the clothing, or they may be sent home to change. Persistent violations of the dress code will be considered willful disobedience.

## **DRIVING AND PARKING**

Students must comply with the following regulations. Failure to comply may result in suspension or expulsion and the privilege to drive to and from school may be revoked. The student must comply with all provisions governing the use of motor vehicles for the State of Oregon.

Parking on District property is a privilege and not a right, and any vehicle parked on district property is under the jurisdiction of the District. As a condition of parking on District property, District officials may conduct searches of vehicles upon reasonable suspicion of a policy, rule or procedure violation. No student is to be in a parked car during school hours.

Student parking is restricted to those students who have purchased a school parking permit. Permits are available at the Finance Office for \$10.00 and are good for the entire year. Possession of this permit does not guarantee a parking space. Only students with permits are permitted to park in student lots. Students parking in designated faculty, guest, or pool areas will be subject to citation and/or disciplinary action. Illegal/unsafe driving in school parking lots can be reason for suspension of the parking permit without refund and/or being towed.

## **DRUGS/ALCOHOL**

A student shall not possess, use, distribute, or be under the influence of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverages, or intoxicants of any kind. A student shall not possess drug paraphernalia or tobacco. Unlawful delivery of a controlled substance to a student or minor within 1,000 feet of district property is a Class A felony, as provided by ORS 475.999.

Students found to be in violation of this policy face disciplinary action up to and including suspension and expulsion. Law enforcement officials will be contacted. In an effort to ensure the safety of our students, periodic unannounced screenings of lockers and/or parking lots by trained police canines will/may occur.

## **HALLWAYS**

**Students are to be in the classroom during class time.** Students are not to be in the hallways during class time without proper authorization or a hall pass. A hall pass that is filled out in ink, with the date and time, and signed by your teacher is required. Students are expected to show this pass to any staff member they pass in the hall. No Hall Passes will be given during the first and/or last ten minutes of each period. Students found in any hallway who do not have a hall pass in their possession will be directed/escorted back to their classroom of origin.

## **HONOR ROLL**

Students must have a GPA of 3.5 or greater for that semester and must be enrolled in at least 2.5 credits of classes on the Lebanon High School Campus to qualify for Honor Roll.

## **HOME SCHOOL AND/OR WORK RELEASE PERIODS**

All students attending LHS will have a complete schedule (7 periods). Exceptions to this will include students who are taking classes through alternative programs as administered through LHS, students approved for work release and students granted permission by the building principal. ## **CITING SOURCES**

Lebanon High School uses the current MLA (Modern Language Association) format for documenting sources in a research paper. This is the format currently used in most university English, History, and other humanities departments.

Standard MLA format includes a **bibliography** of all sources used and **in-text citations** (in lieu of footnotes or endnotes) to identify the specific sources of all quotes, paraphrases, and facts/statistics used in a paper. It is important to clearly explain the correct **use of sources to avoid plagiarism**.

### **In-Text Citations**

In-text citations are located immediately after the borrowed ideas (mid-sentence if necessary). They are located before the period (or comma), and after the final quotation marks. In-text citations consist of the author's last name and the page number of the quote, paraphrase, etc., in parentheses.

### **Work Cited (Bibliography)**

The works cited (bibliography) is located at the end of the paper on a separate page. Sources are organized in alphabetical order. Each entry is single-spaced and double-spaced between entries. If the entry requires two or more lines, the second line of text is indented.

**OSLIS (Oregon School Library Information System)**: Is an excellent source to use when creating a bibliography or when you have questions on how to cite a source.
