

Athletics

All students participating in sports are required by State Law and the OSAA to obtain a physical every two years - filled out on the OSAA Physical Form. The OSAA physical form is available on the Lebanon High School website, under Athletics or at the Athletics Office at LHS or at the OSAA website www.osaa.org (scroll to bottom under handbook/forms). **Pop Warner Physicals can NOT be accepted. Students and parents need to go online registration at www.LebanonWarriorAthletics.com and in the upper right hand corner click on “Register My Athlete”. Instructions to help guide you through this are on the back of this sheet.**

There is a \$100 participation fee per sport per athlete. If a student qualifies for FREE lunch (not reduced), the fee is reduced to \$50. **Your free lunch letter needs to be shown at time of payment.** A copy of this letter can be obtained through the Nutrition Services Office. **The participation fee is due when you pick up your blue card.**

(Use the same login and password each time-DO NOT CREATE NEW ONES.)** Every athlete must have a blue card for each season, you will pick that up from the Athletics Office when your registration is complete. Make sure your physical is current through the whole seasons you are registering for or they will be denied. Students who participate in more than one season, have to be cleared from that sport before they can go out for the next sport. (Coaches will return their blue cards to the Athletics Office when they are cleared.)

Students K-8 are not admitted to LHS games unless accompanied by a parent or an adult.

LHS students who purchase the activities sticker for \$40 will be admitted free to all home athletic events*, after game dances, and school plays. ***Does not include scrimmages, powder puff, tournaments, endowment games, play-in games and play-off games.**

Families may purchase a family pass which will admit immediate family members (up to 4 per pass – one of the 4 may be a high school student with a student body card). You must show your pass to enter any event. Season 3 Pass – good for home volleyball and football games (not reserved seating) - \$50; Season 2 Pass – good for basketball and wrestling home games/matches - \$50; Season 2 & 3 Pass – good for football, volleyball, basketball and wrestling home games/matches \$90. **These passes exclude reserved seating, scrimmages, powder puff, tournaments, endowment games, and play-off games. (If you have a family pass and want to purchase a reserved seat, the cost is \$5 a seat per game – up to 4 seats per game – the regular cost is \$8 a seat per game).**

Lebanon High School Athletic Registration

Due to Covid, we will be opening up online registration for all sports, August 10. Athletics will be processing Season 1 first, then Season 2, then Season 3 and then Season 4. If you want to register for all your sports, please note you can only select ONE sport at a time and then you log out and log back in for the 2nd and then 3rd sport. (Use the same login and password each time-DO NOT CREATE NEW ONES.)

****Your registration may take a few days to process, so make sure you allow enough time to get this done and processed and be able to start practice(s). Please see the other side of this sheet for the first day of practice for each season. Each Season, athletes must have a blue card to present to the coach, you will pick it up from the Athletics Office. Blue cards are only given when athletes have all their online registration done, grades are checked and you have current physicals uploaded to your registration. (Make sure your physical doesn't expire during a season, if it does it will be denied – also make sure you upload both pages and it's readable and signed by doctor, parent and athlete)***

*****Important you use same login info each time you register your child for a sport otherwise, you will have to keep uploading physicals and re-entering all your information over and over.*****

Our new athletic registration allows parents to register their student-athletes for sports online. Here are some basic steps to follow when registering your athlete for the first time:

1. **Create an Account/Log In:** Go to www.LebanonWarriorAthletics.com. In the upper right-hand corner click "Register My Athlete". If you already have an account, just log in with your email/username and password. Now that you are logged in, click on the Parent access portal. **Don't forget to write down your Log In info, you are the only one that has access to it.**
2. **Start a Registration:** To start a registration, click on Start/Complete Registrations on the left hand side, then select Click Here to Start New Registration. The first step will be to select your school and athlete. If this is your first registration, you will need to add a new athlete. If you have already added the athlete, you will have the option to select a previously added athlete.
3. **Select Year, Sport, and Athlete:** The next step prompts you to select the year and sport. Once this section has been submitted, any information up to this point will not be able to be changed. Please review information carefully before submitting.
4. **Your Registration Checklist:** This page shows the status of your athlete's registration. You will be asked to complete several steps to register. These include updating information such as medical, insurance and guardian info to determine eligibility.
5. **School Requirements:** This section is where documents will be read and agreed to, legally binding E-Signatures will be completed and physicals will be uploaded. Once this section is complete, the registration is complete. Any requirements that require the parent to upload a document will also require that the school's athletic administration approve the document, so please do not be alarmed if the status is Pending School Approval.
6. **Complete Registration:** Your registration is complete once all items on the checklist have been completed.

Additional Athletes: If you have additional student-athletes to register, you can start a new registration and add them as an athlete. Once you add them, they will be available to select next time.

Future Seasons & Years: For future years, once your athlete has been added to your account you only need to start a new registration and select them as the athlete. This should speed up the process.
